

Bas-St-Laurent/Gaspesie—Îles-de-la-Madeleine Chapter

May 28, 2016 We did not have the quorum required to hold our 2016-2017 AGM or elections to replace the Treasurer. On the other hand, our guest speaker Jacques Belzile captivated us. A most interesting and unique outstanding athlete with 192 medals and 62 trophies won in his career. Jacques is a top athlete but has remained very humble despite all the honours he has received over the years.

May 21, 2016 We visited our members on site in Ste-Anne-de-la-Pocatiere, Trois-Pistoles and Riviere-du-Loup. Nine people came to meet us to inform us of what they were interested in as activities. They made several suggestions for outings that could be organized in their area. We took the opportunity to gauge their interest in getting involved in the organization of one of these celebrations. Everyone seemed satisfied with this experience and, in the fall, we plan to do the same for our Gaspesie members.

This organization is a flagship of the Quebec Provincial Government through its Ministry of Natural Resources and Wildlife. Several members of the Bas-Saint-Laurent chapter association, accompanied by members of their families, took advantage of this opportunity, which was offered free of charge.
