

Quebec/Chaudiere-Appalaches Chapter

August 24, 2016 As a summer activity, we took a guided tour of the Augustinian Monastery in Quebec City. This visit was followed by an excellent dinner

Spring 2016 is our traditional outing to the sugar shack. We were at the 'Erabliere du Cap' in Saint-Nicolas.

On February 26, 27 and 28, 2016, we were present at the 'Salon des associations de familles', at 'Galeries Chagnon' in Levis.

December 2015 we were at the restaurant 'La Girolle' in Ste-Foy. Each year the Chapter organizes a holiday dinner.

On August 26, 2015, some 30 people enjoyed a day at the Citadelle of Quebec. This beautiful day included, among other things, the changing of the guard, a visit to the Governor General's residence, a visit to the Royal 22nd Regiment Museum and an excellent dinner at the Officers' Mess.

In August 2015, we were present at the 'Fêtes de la Nouvelle-France'. In addition, we participated in the 375th anniversary of the arrival of our ancestors in the Americas.
